Experience

SEO / Web Developer (Unpaid Junior) — May 2026 – July 2026
Gao Tek Inc. — *Toronto, Ontario*

- After transitioning from Technical Support to this SEO web developer role. I learned with my seniors how to Handle back-end updates and clean up site code to make our product pages load faster and ensure Google's bots could crawl them without getting stuck
- I also used tools like Google Search Console to track down and help fix technical site issues by reporting it to my seniors.
- I also teamed up with the content squad to build out clean web layouts that displayed complex technical specs perfectly while following proper HTML and heading structures for SEO.

Technical Support — September 2025 – April 2026
Gao Tek Inc. — *Toronto, Ontario*

- I provided hands-on support by troubleshooting complex technical inquiries, product specs, and operational issues via phone and email.
- I also diagnosed and resolved tier-1 and tier-2 technical issues involving software, network configurations, and product functionality for our personal clients
- I also spent 40-50 percent of my time helping Tech team to Audit company website and database systems to troubleshoot user-facing access issues and restore platform up time which helped me transition into SEO Web Developer

Tech Sales + Marketing — Jan 2025 – August 2025
Gao Tek Inc. — *Toronto, Ontario*

- I started out as a part-time Tech sales coordinator. In this role, I worked with the Sales team doing 15-18 warm lead calls daily and also handling Inbound calls objectively.
- I wanted to make my way up for better opportunities so I conducted research on product specifications and learned about product refurbishing with one of the hardware technician and handled technical objections on client calls by explaining them what I learned to help close deals.
- I also made an UI/UX design recommendation for better marketing reach which helped me establish a good relationship with my manager which helped me transform my role into Tech sale + Marketing hybrid role.

Assistant Store Manager — Aug 2024 - December 2024
Pick Vapes — *Richmond Hill*

- Resolved customer complaints in a timely and professional manner, enhancing customer retention and loyalty.
- Developed loyalty programs that increased repeat customers.
- Analyzed sales data to identify trends, set goals, and develop strategies to improve profitability
- Developed strong relationships with suppliers and distributors to secure the best deals and ensure product availability.

Assistant Mechanic — Oct 2023 - April 2024
Playtime Bowl and Entertainment — *North York*

- Assisted customers with lane inquiries, shoe rentals, and answering questions to ensure a positive experience.
- Regularly cleaned and maintained lanes, bowling balls, and other equipment to ensure optimal playing conditions.
- Troubleshooted and resolved technical issues with scoring systems, pinsetters, and other technical/Hands-on problem problems
- Have Knowledge about every pinsetter problem while in-between game like 180 i.e. Deck-Jam, 90 and other pinwheel and pin-pit errors.

WaterSafety Guard / Lifeguard May 2023 - September 2023

Wet'N'Wild *Toronto*

- Drove engagement and outreach with special events focused on bringing in new participants.
- Performed lifesaving measures, including CPR during incidents until paramedics arrived on scene.
- Monitored safety of over 1000 guests in and around Park.
- Attentively watch over swimmers being quick to identify those in distress.
